Impex kayaks 2011

Performance Series

These expedition capable boats are designed for paddlers who enjoy an efficient performance hull that tracks and responds well to being on edge. Rubber hatches, reflective deck line and aluminum slider foot rails are standard features on all Performance Series boats.

MODELS:

- Mystic
- Montauk
- Currituck
- Assateague

Pro Touring Series

This newest range of boats offers the skilled, experienced expedition paddler an Impex kayak that meets the most technical and extreme paddling standards.

MODELS:

- Force Cat.3
- Force Cat 3 HV
- Force Cat.4
- Force Cat. 5
- Hatteras

Specialty Touring Series

The Specialty Tour Series is built and outfitted to the standards of the Performance Series.

MODELS:

- Susquehanna (rubber hatch version of Diamante)
- Outer Island
- Outer Island OC

Light Touring

- Hesper Basic
- Hesper w/Rudder

Ottawa Valley Canoe & Kayak

Formula Series

These are great kayaks for paddlers who enjoy a rockered maneuverable sea kayak. The Formula series have great initial stability and offer a comfortable ride for novice to intermediate paddlers or touring paddlers who enjoy some added room for gear and comfort in the boat. This series comes standard with glass hatches, and offers a very affordable price for an expedition capable touring kayak.

MODELS:

- Gale (glass hatch Mystic)
- Venture
- Diamante
- Serenity & Serenity Sport
- Temiskawa
- Irie (rudder optional (previously the Escape))
